***Maitri Vidyapeeth***

Maitri Vidyapeeth is a National Institution actively engaged in the task of moulding educational missionaries. Humanity and compassion are the foundation of our institution. It was established in 1975. During the last 49 years, the Institution has achieved remarkable progress in the field of education. Its main aim is to develop the national and social character of the students. The founder managing trustee Late. Shri Nagjibhai Desai (Bhai) and Smt. Shantaben Desai (Tai) are well-known educationists. It is always wished by them to produce such a dedicated teacher to the Society who serves better for the upliftment of the children.

***College at a Glance***

Shri C. H. Shah Maitri Vidyapeeth Mahila College of Education – Surendranagar was established in 1988 and is recognized by NCTE and affiliated to Saurashtra University, Rajkot(Gujarat). It is also included under sections 2(f) and 12(b) of UGC. The college works with the noble aim of preparing a committed and skilled teacher according to the demand of the present era. The focus of the college is to provide quality-based education to trainees who completely imbibe the characteristics of a dedicated teacher. The institute was accredited with a B+ grade by NAAC in 2006 and Re-accredited with an 'A' grade by NAAC in 2014. The institution is situated 3km. away from the bus station and 1.5km. away from the railway station. The College campus is spread over 10 acres of land where a lush green natural atmosphere attracts all.

***About the seminar***

“The heritage of ancient and eternal IKS and thought has been a guiding light for this Policy. The pursuit of Knowledge (Jñāna), wisdom (Prajñā), and truth (Satya) was always considered in Indian thought and philosophy as the highest human goal. ... The Indian education system produced great scholars such as Charaka, Susruta, Aryabhata, Varahamihira, Bhaskaracharya, Brahmagupta, Chanakya, Chakrapani Datta, Madhava, Panini, Patanjali, Nagarjuna, Gautama, Pingala, Sankardev, Maitreyi, Gargi and Thiruvalluvar, among numerous others, who made seminal contributions to world knowledge in diverse fields also. Indian Knowledge System encompasses all of the systematized disciplines of Knowledge which were developed to a high degree of sophistication in India from ancient times and all of the traditions and practises that the various communities of India have evolved, refined and preserved over generations. However, *there are many* obstacles and challenges in building a good society, which can only be overcome through schooling, education and research. Through this seminar we will see what role schools, education and research play in building a positive society? What are the responsibilities of schools, teaching and research? Where are the barriers to schooling, education and research? And how can these challenges be overcome? There will be scope to discuss questions etc. In the presented national level seminar, teachers teaching from Kindergarten School to post graduate level, researchers, trustees etc. will try to solve their problems by participating.
